

Course Pricing

Course Pricing Save and Aid offers superior training at very competitive prices. We understand that safety training is a personal and professional priority for you, and we realize that the expense of that training can challenge its fulfillment. Our affordable courses allow you to be confident that you'll know what to do in an emergency, and that you didn't sacrifice your budget to learn it. Our prices are all-inclusive; there are no extra fees for books, certification cards, manikin use, etc. Please note that the prices below are typical course costs, but are subject to change. Promotions are offered periodically and discounts are available for courses with more than 6 participants. Contact us for more details.
